## AccessVision's Move Now Complete

The final stages of AccessVision's move are now complete. As you may have seen by now, new window graphics have been applied to the breezeway (between the Battle Creek Tower and

Michigan Avenue parking ramp). Thanks to [Signs & Designs](#) for their excellent graphic work. It gives AccessVision a much higher profile from the street.

Also, the contents of AccessVision's storage space in the basement have finally made the move to the new building. Special thanks to **Greg Mason, Steve Geminder, Terrance Simmons** and **Mike Campbell** for all of their hard work in assisting with the move.
