Class of 2010 Graduations on AccessVision

It's that time of year when many of us celebrate a friend or family member's academic achievements. Once again, AccessVision staff and volunteer crews were on hand to record local graduation

events:

- **Kellogg Community College's** commencement ceremony took place at W.K. Kellogg Auditorium on May 13th. Greg Mason directed a volunteer camera crew for the event.
- **Battle Creek Central High School's** graduation was held at Kellogg Arena on June 4th. Not only was the event covered with four cameras, it was also streamed live on the internet for the first time.
- **Lakeview High School's** commencement was recorded by Scott Durham and crew on June 13th.

All of these programs recently aired on cable channels 17/917. AccessVision has DVD copies available to order for \$15 each. You can also watch them online at [AccessVision's web site](#).

Philo T. Farnsworth Video Festival

The entry deadline to submit programs for this year's **Philo T. Farnsworth video festival** is fast approaching. The "Philos" are a recognition of excellence in non-commercial cable programming from Indiana, Kentucky, Michigan and Ohio. AccessVision has won many awards over the years, and we encourage our producers to submit their best programs for consideration in the Philos.

The final deadline to submit entries is June 30th. Winners will be announced at the Alliance For Community Media
